

CE-Certifikat

EC type examination certificate

CE1506CR0506

Produktidentifikationsnr.
Product identification no.

Leverandør <i>Distributor</i>	Saturn S.A., 14klm Nat.Road Thessaloniki-Moudania, P.C. 60617, 57001 Thermi, Greece
Fabrikant <i>Manufacturer</i>	KD Navien CO.,Ltd., New KOAMI Bldg. Yoido-dong 13-6, Yeongdeungpo-gu Seoul, Korea
Certifikatholder <i>Owner of certificate</i>	KD Navien CO.,Ltd., New KOAMI Bldg. Yoido-dong 13-6, Yeongdeungpo-gu Seoul, Korea
Anvendelsesområde <i>Field of application</i>	Boiler Efficiency Directive 92/42/EEC
Produktbeskrivelse <i>Product description</i>	Condensing boiler burning liquid fuel
Model og type <i>Model and type</i>	NHC 25BD
Gaskategori og tryk <i>Gas category and pressure</i>	N/A
Landekode <i>Country code</i>	All EU
Tekniske data <i>Technical data</i>	Heat input 26,1 kW (gross calorific value)
Elektriske data <i>Electrical data</i>	230 V, 50 Hz
Godkendelsesgrundlag <i>Basis of type examination</i>	BED 92/42/EEC, Test report DGC 905.01-NA01
Sagsnummer <i>File number</i>	905.06
Bemærkninger <i>Comments</i>	Se næste side See next page

Dato/date: 9th. May 2016

Udstedt af/issued by:

Per G. Kristensen
DGC Notified Body

DGC Notified Body - udpeget iht. Sikkerhedsstyrelsens krav, og officielt registreret af EU-Kommissionen til at foretage overensstemmelsesvurdering af kedler og gasforbrugende apparater iht. Kedelvirkningsgraddirektivet og Gasapparatudirektivet.

DGC Notified Body - notified by the Danish Safety Technology Authority and officially registered by the European Commission for conformity assessment of boilers and gas appliances according to the Boiler Efficiency Directive and the Gas Appliances Directive.

Bemærkninger

Comments

	Full load	Part load
Input fuel [kW]	26,1	7,9
Output [kW]	24,0	7,7
Efficiency [%]	92,1	97,4

All data relates to gross calorific value

Fabrikanten er forpligtiget til at sende kopi af alle klager over produktets manglende overensstemmelse med dette certifikat og/eller relevante standarder til DGC Notified Body sammen med dokumentation for de iværksatte afhjælpningsforanstaltninger.

The manufacturer is obliged to send a copy of all complaints regarding lack of conformity between the product and this certificate and/or relevant standards to DGC Notified Body with documentation of implemented corrective actions.
